

AUMC PLAY-N-SHARE PRESCHOOL INFORMATION SHEET

(Please keep for your records.)

Play-N-Share is a play-based, academic preschool program for children ages 2-6. The curriculum is designed to be appropriate to the developmental abilities of each child and is implemented with attention to children's differing needs. It is through active involvement with their environment that they make sense of the world around them. Lessons and activities are planned to support this learning process and to address each child's physical, social, emotional, cognitive, and spiritual development.

At Play-N-Share, each child is viewed as a special gift from God. Emphasis is placed on learning Christian morals and values.
